Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Saturday 31 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and showers, although north and east cloudier.

Today:
Rather cloudy northern and eastern Scotland with showers or, at first in southeast, some longer spells of rain. Brighter with sunny spells in west and later in places sheltered from the northerly breeze. A few heavy afternoon showers in south.

Tonight:
Northern and eastern parts remain rather cloudy with a few light showers. Elsewhere largely dry with some late sunny then clear spells. Northerly breeze, locally strong across Shetland.

Sunday:
A few showers continue across the north and east and perhaps, in the afternoon, the southwest. Otherwise plenty of dry and bright weather with some sunny spells.

Outlook for Monday to Wednesday:
Plenty of dry weather with clear or sunny spells Monday and Tuesday with just a few showers. Outbreaks of showery rain spreading east Wednesday, heavy and perhaps thundery at times.
